ACTION TOWARD EXCELLENCE

NEW HIRE

Disability Acknowledgement Form

Public Employees **do not** pay into the State Sponsored Disability Plan. Since we do not pay into the plan, there is no benefit available in the event you become disabled and unable to work. The District strongly encourages employees to enroll in a voluntary disability plan to provide income replacement benefits.

Please see our District website for product information at: www.cnusd.k12.ca.us - go to Departments – Benefits – Voluntary Products. As a courtesy, we will provide your contact phone number to American Fidelity to schedule a new hire appointment. There is no obligation to enroll in products.

Acknowledgement
