School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Philistine Rondo School of Discovery is a STEAM magnet school featuring project based learning as our shared instructional approach. Rondo is also a Leader in Me school which means we believe that all students can be leaders because they must first lead themselves. We teach students how to lead themselves using the 7 Habits of Highly Effective People and the 4 Disciplines of Execution. With leadership as our operating system, students are empowered to take responsibility for their own learning and embrace productive struggle knowing it is expected to wrong on your way to being right.

Rondo School of Discovery also features the county's first Mandarin Immersion program. Some of our students starting in kindergarten have half of their instruction in English and half in Simplified Mandarin. This program, as our school, is relatively new and for the 2020-21 school year was only in kindergarten in two classes.

Rondo School of Discovery is year round school with four tracks for kindergarten through 6th grade. Students attend school for three months and then have one month off with each track featuring different months off. Our transitional kindergarten program is on a traditional calendar meaning Rondo has all five tracks on our campus.

The mission of Philistine Rondo School of Discovery is to empower students to be the leaders, thinkers, collaborators, and problem solvers of the 21st Century.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Total Teacher Misassignments*			0
Vacant Teacher Positions			0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 1, 2020

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 1, 2020, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 46 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2020-21 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents at Rondo are encouraged to be partners in education with school staff. We recognize that only through a strong partnership can we accomplish our goal to empower students to be the leaders, thinkers, collaborators, and problem solvers of the 21st Century. Parents can get involved by volunteering in their student's classroom to support the classroom teacher. Parents are also encouraged to serve on our PTA, School Site Council, ELAC and Parent Lighthouse Team.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

As a new school, the Rondo School of Discovery Safety plan was written and formally Adopted on October 2, 2020. The school safety committee, led by assistant principal, Dr. MacDonald wrote a plan that included information about the school, our emergency response plan, child abuse reporting plan, bullying prevention plans and also our safe school plan regarding the Covid-19 Pandemic. The Rondo Safe Schools plan also has artifacts for evacuation and emergency procedures, our progressive discipline model, and our Discrimination Policy. The Rondo School of Discovery complete Safety Plan is available for public viewing in our office.

Types of Services Funded (Fiscal Year 2019-2020)

For the 2019-20 school year, Corona-Norco Unified School District spent an average of \$6537.31 of total general funds to educate each student (based on 2019-20 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Corona-Norco Unified School District receives state and federal categorical funding for special programs. For the 2019-20 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Agricultural Career Technical Education Incentive
- California Career Pathways Trust
- California Clean Energy Jobs Act
- Department of Rehabilitation
- Education Protection Account
- Lottery: Instructional Materials

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	515	321	321

During the 2019 - 2020 and the 2020-2021 school year, there has been a shift in the way Professional Learning has been offered and the focus. This change was in response to the needs of the stakeholders across the district.

1. Total number of districtwide sessions – CNUSD switched from days to sessions. CNUSD had 321 professional learning titles with 839 sessions lasting from 1 hour to 6 hours depending on the training and the setting. This year in April, in response to the pandemic, the trainings all moved to online model. CNUSD logged 19,312 staff members attending sessions throughout the 19-20 school year. This includes both certificated and classified
2. Districtwide staff development topics – The focus for professional learning were: first best instruction, family & school partnerships, positive school environment, and systems leadership & collaboration.

Additional topics include –

- Technology tools: Zoom, Google (Chrome, Classroom, Docs, Forms, Slides, Hyperslides), Q student data system, Microsoft, Canvas, SchoolMessenger
 - Assessment tools and programs: Illuminate, i-Ready
 - Content area instruction in all areas ELA, Math (new adoption for HS math), Science, History, Health
 - Social emotion learning – building relationships, MTSS, PBIS, restorative practices, morning meetings, SEL capacities
